SENATOR KENNEDY: Just very briefly, I would like to ask Vincent Brown, our Clerk of the Legislature. I think I received a call just about the time we were to go in session here on LB 604 the emergency fund. The Governor has asked to have that held up. I understand that we may increase it or whatever the desires might be. Is this correct?

CLERK: I have received a letter from Mr. Otto, which we have attached to LB 604, asking us to delay further action on the bill until they can formulate recommendations.

PRESIDENT: Senator Kennedy, the Chair would like to suggest that we take that matter up right after . . .

SENATOR KENNEDY: Well this is part of the emergency fund according to the resolution. So I just thought that the body should know that if we're . . . I thought we'd probably finish the Final Reading, but if this . . .

PRESIDENT: No we have not. Senator Savage.

SENATOR SAVAGE: Mr. President, members of the Legislature. Since a lot of the damage was done in my district I'd like to have my name added to the resolution.

PRESIDENT: Senator Lewis.

SENATOR F. LEWIS: I'd ask unanimous consent to have my name added to the resolution.

PRESIDENT: Senator Luedtke.

SENATOR SAVAGE: Senator Syas too.

SENATOR LUEDTKE: Mr. President, I suggest that we put everybody's name on this resolution, unless someone wants . . . does not want it on there. Otherwise we're going to be here all morning putting our names on this.

PRESIDENT: Right. Yes. OK. Is there an objection to every member of the Legislature's name being attached to this resolution? Seeing none, it's so ordered. So the question is the adoption of the resolution. Record your vote. Have you voted? Record Mr. Clerk.

CLERK: 47 ayes, 0 nays, 2 not voting.

PRESIDENT: The resolution passes.

SENATOR DUIS: I'd like to have the resolution properly processed and sent to the Governor, and whatever is necessary.

PRESIDENT: Proceed with Final Reading Mr. Clerk.

CLERK: Read title to LB 187.
